

## Adbri News

We are pleased to announce the appointment of Andrew Cameron to the role of Quarry Manager at Penrice Quarry.

Andrew began his career in the quarrying industry in 2010 with Penrice Soda Products (now Adbri Quarries Penrice). In 2013, he expanded his experience in the mining sector across Western Australia and South Australia, followed by a brief tenure with Booth Transport. He returned to Penrice in 2017 as an operator and has since demonstrated consistent growth and leadership.

Over the years, Andrew has progressed through several key roles including Qualified Shotfirer, Team Leader, Production Supervisor, and most recently Assistant Quarry Manager following a structural change. During his time as Production Supervisor, he also undertook responsibilities as Blast Supervisor, showcasing his versatility and commitment.

Andrew played a pivotal role in the successful implementation of the Smart Quarry System across the site's Load and Haul operations, resulting in increased payload efficiency and reduced cycle times.

This appointment reflects Andrew's dedication, capability, and leadership within Adbri.

Regards,

**Adam Schutz**
